**Invitation to join the Countryside Conservation Funding Scheme Research Project on
Countryside Conservation and Revitalisation in Kuk Po Village, N.T.**

Dear Mr. Lam

We would like to invite you and your students to join our current research project: Oral History Documentary, Illustration and Design for Kuk Po: “Re-Connect Kuk Po: The Past, Present and Future Sustainability” which is funded by the HKSAR government under the Countryside Conservation Funding Scheme.

The project is run by the PolyU School of Design - Asian Lifestyle Lab with our lab leader Dr. Brian Lee (Product Discipline Leader), Mr. King Siu (Product Discipline Leader), and myself as the project leader.

We believe that you and your students can contribute to this research project in the documentation of the whole on-site research process, exhibitions, and presentations to the government and the general public.

If you have any questions, please feel free to contact me by email: sdmicc@polyu.edu.hk or by my phone no. 27665463.

Best regards,

Michael Chan
